# Revolutionizing Employee Self-Service

---

Office Buddy is a smart employee self-service app integrated with Odoo Community and Enterprise editions. It simplifies workforce management with features like geo-location attendance, leave requests, payslip downloads, and expense entries. The app enhances transparency, boosts productivity, and provides managerial tools like leave approvals and detailed attendance logs. With Office Buddy, streamline HR processes and empower your workforce efficiently!

## Why Choose Office Buddy

Seamless integration with **Odoo**  
(Community & Enterprise editions).

01

User-friendly interface.

02

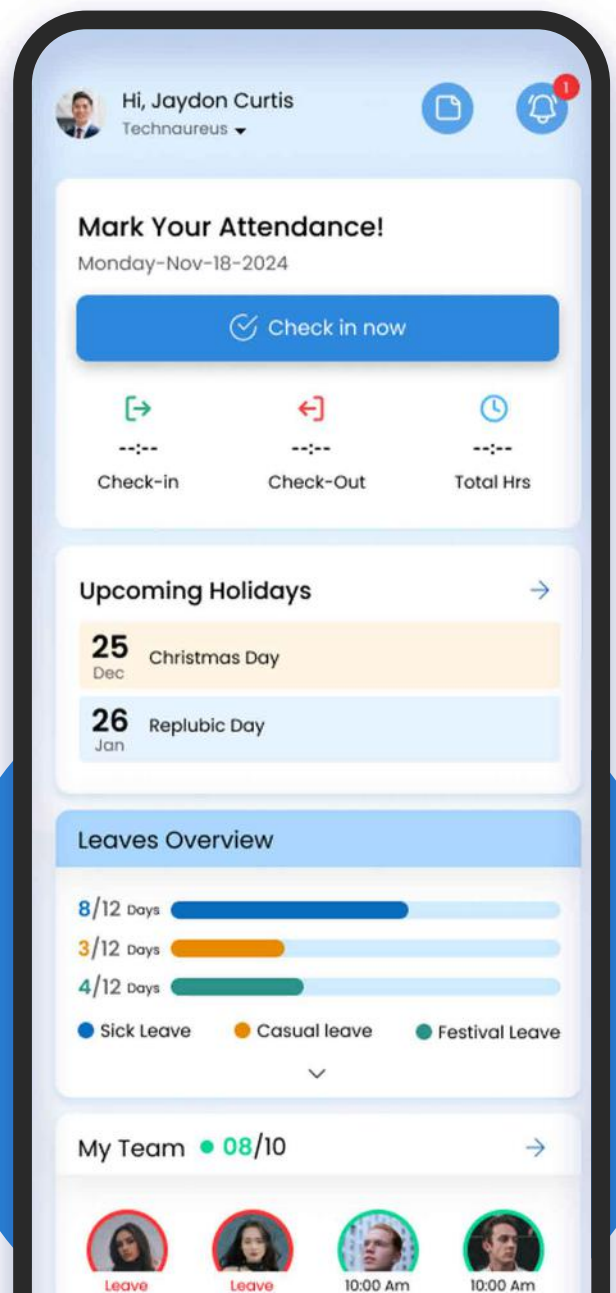

Boosts productivity and enhances  
employee satisfaction.

03
